2017-2018

We welcome all parents of St. Aloysius School students as members of Parent Association (PA). We also welcome all friends and parishioners of St. Aloysius. PA sponsors and supports numerous school activities that promote a school community where teachers, administrators, and parents can do their best work and help make school enriching and enjoyable. This is done with great support from parent volunteers. We encourage all parents to volunteer for at least one activity in some way. There are opportunities during and after school hours and tasks you can do on your own time. The teachers and staff, and most important, the students appreciate all that you can give. We hold monthly meetings that are open to all. Watch the Schoolgram for dates and times.

ROOM PARENTS

Room parents are needed to assist in the classroom with the Halloween (October 31st), Christmas (December 20th), Valentine's Day (February 13th), and the End-of-Year (TBD) parties. Individual grades may need assistance for other activities. Room parent coordinator will organize a list of room parents for each grade. The head room parent for each classroom will then coordinate the duties with the other room parents for the classroom.

APPLES FOR EDUCATION

There is a wide range of requests from teachers for supplies for the classroom. These requests can be fulfilled by families or classroom groups at Christmas and throughout the year. Items in need are listed on apples on the PA board outside the school office. Please attach the apple to the gift with your name as donator and bring to the school office to be distributed to the classroom or give to the appropriate teacher.

Uniform Swap

Set up the date for the swap, organize volunteers to help run the event, and upon completion tear down and distribute the money to the right owners. Any donated clothes will need to be delivered to Goodwill. This event is generally held right before school starts.

SCRIP- TUITION SAVINGS

St. Aloysius School Parents Association offers Scrip as a way to help reduce the cost of tuition. Scrip utilizes the purchase of gift cards to earn credit towards the following year's tuition of a designated family, St. Al's Scholarship/Tuition Assistance Fund, or St. Al's PA account. 85% of the credit will go to the family, while 15% is retained by St. Al's PA to cover costs and act as a fundraiser.

REVERSE RAFFLE/SOCIAL: March 17 2018

This is the main fundraiser of the school year for the Parent Association. Please mark this important date on your calendar. The purpose of this event is to raise money for the school while having fun and meeting other school parents. This fundraiser allows St. Aloysius students to avoid participating in door to door sales. The event includes dinner, small raffles, a silent auction, a live auction of projects created by each grade, and the big reverse raffle. All families are encouraged to attend. All profits from this event benefit St. Aloysius School.

Watch the weekly envelope for early ticket purchase opportunities and volunteer opportunities, as the event gets closer. Each classroom needs a parent to work along with the teacher on the art project for the auction in March.
