

Lunch Changes
Effective January 2022

Options 3 & 4:

- The sub/wrap option will now be #3, and egg or tuna salad will be #4.
- Egg salad and tuna salad will be offered everyday as the number 4.1 and 4.2 options respectively.

Option 5:

- Option 5 will be salad and is a full lunch with sides and a drink (previously, #5 was the side and salads were served alone).
- Grilled chicken salads are now available on Tuesdays and Thursdays, instead of taco salads. Chef salads will still be offered everyday, and taco salad will still be available on Mondays, Wednesdays and Fridays.

Option 6:

- Option 6 will be the side.
- The side choices have been updated, so if you are used to ordering a bosco stick on Tuesdays, you will have to order it on Thursdays, etc.

New Prices:

- Full entree (option 1-5, includes sides and drink): \$3.70
- Extra entree: \$1.40
- Side: \$1.85
- Beverage: \$0.55

Make up Lunch on 1/12:

- Note that the make up lunch on 1/12/22 is the old menu items from 11/10/21.
