

Prayer Intentions:

For the Marzec family, great grandma's funeral is this week.

For those sick with Covid and for those who care for them.

Please let us know if your family has an intention you would like us to include in our schoolgram.

We Pray:

We are very thankful, God, for the good times we have with our families. Thank You for allowing us to enjoy each other's company. Thank You for giving us time to spend with them each day. Preserve our good relationships, Father, whenever we are with our beloved families. Let peace reign in our homes and let compassion fill each of our hearts. Teach us what it is to experience real joy and enable us to show each other what this means. Amen.

From the Principal:

On **TWOSDAY, 2-22-22**. Students will be allowed to dress in tutus, ties, as twins or as famous duos. I can't wait to see what everyone comes up with, but if they are not sure who to twin with they can always wear St. Al's spirit wear and find their twin when they arrive :) We will have some other Two Themed fun during the day.

With the decline of covid cases and the end of contact tracing, we would like to bring more classes to mass each week. At this time we plan to keep students three feet apart (instead of six feet), but we want to respect your choice as parents for your child. **Please fill out this very short survey** and let us know if you are ok with this change or if you want your child to have six foot social distancing during mass, even if it means they watch from somewhere other than the church with their class.

Two weeks from tonight we will host Captain (Ret) Scott Frank for a very important presentation titled **Digital Empowerment for Parents on Thursday, March 3rd**. I encourage parents with children of all ages to join us. This is a great opportunity to find out how to empower your child to make safe and healthy choices online. I asked Captain Frank and he said it's for "all parents...especially parents with younger kids!" This is a topic you want to be ahead of your children on. Those of us with older children can certainly benefit from updated information as well since things are always changing online.

This night will also serve as a kick off to restart our **Parent Association (PA)** which has been on hiatus during the pandemic. Light refreshments will be served beginning at 6:00 pm and this will be a nice opportunity to meet other school parents. There will be sign up sheets to indicate if you are interested in helping with specific areas of PA such as leadership, planning social events, helping with events for students during the day or planning fundraisers just to name a few.

*God's Blessings,
Andrea Puhl*

From the Office:

- **KR-8 REGISTRATION:** Packets going home today are due Friday, 3/11/22, along with the registration fee and classroom materials fee to hold your child's spot for the 22-23 school year.
 - The eForms we used last year were not user friendly on the back end, so we are back to paper forms.
 - As much info as possible was auto populated on the forms. Please verify the info, and update if necessary. **CHECK CAREFULLY.**
 - If sacrament dates are not entered into Option C, on the back of the yellow student registration form it will say 1/1/1900. Just write the appropriate date or cross it out if it's not applicable.
 - Please let us know if your child will **NOT** be returning next year.
 - Please see Mrs. Puhl's note in the last two schoolgrams about tuition. The increase to families will be minimal for 22-23.

- **HELP NEEDED FOR OPEN HOUSE: 3/6/22 11:15am-1:30pm**
 - Tour guides: We have an outline of talking points and places to visit to help guide you. We encourage students to help alongside their parents to give their perspective and make a connection. It would be best if they could wear their uniform or spirit wear.
 - Share the flyer on social media and with those in your social circles.
 - Please email Mrs. Rath if your family would like to help, schooloffice@stalschoolbg.org.
- **School Mass** can be viewed online. The link for mass at **2:10 pm on Thursday February 24:** <https://venue.streamspot.com/event/MzAzMzMzNg>

I am happy to report that once again this week we do not have any students or staff in isolation or quarantine. We have one student who is “mask to stay” because of a known exposure at home. The following resources from the health department may be helpful if someone in your family is exposed or tests positive.

[Mask to Stay, Test to Play](#) policy from ODH

We continue to encourage mask wearing at school. Thank you for your diligence in keeping sick students home.
