Dear Parents,

At St. Aloysius Catholic School, we are proud to partner with you in the education of your children. Together we can challenge our young people to do their personal best academically while helping them grow in faith and develop Christian values.

St. Aloysius has a strong tradition of Catholic education, instilling in students the faith, knowledge, morals and discipline that will enable them to fulfill their future roles in life. Now, more than ever, a Catholic education is truly an investment in the future that is worth the consideration of every family.

Here at St. Aloysius your investment will offer you these returns:

- Values-based teaching grounded in the tradition of the Roman Catholic Church.
- Superior education which will position your child for a lifetime of opportunity.
- Caring and supportive learning environment to enhance your child's self esteem.
- Safe, secure, and peaceful atmosphere of respect and discipline.
- Open, collaborative communication focusing on what's best for your child.
- Freedom for your child to learn without pressure of high stakes standardized tests.

Our tuition for 2022-23 will be \$5,500 for Kindergarten Readiness through 8th grade. We also have a new fee structure for the upcoming year: The 5th grade fee will include the \$50 band class fee. The 6th, 7th and 8th grade fee will include a standard gym uniform required for days the student has Phys Ed class.

We continue our commitment to making a St. Aloysius education affordable for your family. Please review the enclosed "Grant or Scholarship Opportunities" listing and contact me if you need further clarification.

Please contact me if your family does not qualify for a scholarship and there is a need for financial assistance. We will do our best to find a source of funds for your family.

Thank you for your interest in St. Aloysius Catholic School. Please feel free to contact me at any time.

God's Blessings,

Mrs. Andrea Puhl

Principal-Minister

St. Aloysius Catholic School Registration Procedure

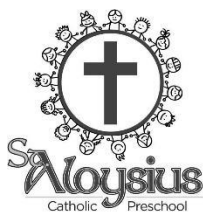

Preschool Registration: Preschool registration begins in January for our currently registered families. Registration opens for all families on a first come first serve basis beginning February 1, 2022. A commitment form and a \$100 commitment fee is required to secure your child's placement in the class.

Kindergarten Readiness/Kindergarten Registration and Placement: Registration for students in Kindergarten and Kindergarten Readiness will begin February 17th for current families. A completed registration packet and the Registration Fee & Classroom Materials Fee are to be returned by March 11, 2022. Upon receipt of a Kindergarten student's registration, the student will be placed in kindergarten or readiness. After screening in August 2022, a recommendation of placement into the Kindergarten Readiness or Kindergarten class will be decided by the Kindergarten Team (principal & teachers). If the educational team placement does not match the parent's initial registration request, further discussion will be initiated with the parents to determine what the best educational course is for the student. Registration for new families will begin March 28, 2022.

Grade 1-8 Registration: Registration for students in first through eighth grade will begin February 17, 2022 for current families. Completed student registration form, tuition registration form, Registration Fee, and Classroom Materials Fee are to be returned by March 11, 2022. Registration for new families will begin March 28, 2022. Admission to St. Aloysius Catholic School for new students will be determined by the Principal after reviewing previous school records. If after discussion with parents, admission is denied, the classroom fees will be refunded.

St. Aloysius Catholic School requires a solid commitment from parents to register and enroll their child(ren) for the 2022-2023 school year preferably by March 11th and no later than June 1, 2022. Various factors influence the school budget – enrollment, economy, state funding, parish subsidy, etc. In order to give the school appropriate time to study these factors and to budget effectively, we ask parents to make a final enrollment decision before summer break of 2022. Classes will be filled in the order in which the Registration packet and Registration/Materials Fees are returned. If the packet and/or fees are returned after the class is full, the student will be placed on a waiting list and payment will not be processed until a space becomes available.

*****With COVID-19 social distancing requirements currently in place, this may affect class size caps and create waiting lists more quickly than in previous years. *****
