

### Prayer Intentions:

For those in areas of the world in conflict, especially the people of Ukraine and Eastern Europe.

For those who are ill and for those who care for them.

*Please let us know if your family has an intention you would like us to include in our schoolgram.*

### We Pray:

Good and Gentle God, we pray in gratitude for our mothers and for all the women who have joined with you in the wonder of bringing forth new life. You who became human through a woman, grant to all mothers the courage they need to face the uncertain future that life with children always brings. Give them the strength to live and to be loved in return, not perfectly, but humanly. Give them the faithful support of family and friends as they care for the physical and spiritual growth of their children. Give them joy and delight in their children to sustain them through the trials of motherhood. Most of all, give them the wisdom to turn to you for help when they need it most. Amen.

### From the Principal:

I was so proud of the second graders who received the Eucharist for the first time last weekend. Please pray for those who will celebrate their First Communions at the 10:15 and noon masses this Sunday. As we also celebrate mothers this weekend, know that I am grateful for our school moms and grandmas who do so much to support our school.

It was fun to honor our teachers this week and it seems like a good time to share a couple faculty changes for next year. Suzie Cox will be retiring after 40 years in Catholic education, the last 37 here at St. Al's. While it's hard to see her go, we are excited for her next adventures and thrilled that she is being honored by the diocese this month with a prestigious Golden Apple award. I'm also happy to share that Mrs. Shelby Rosebrock, our current preschool director/teacher will be joining Mrs. Dulaney as a kindergarten teacher next year. She is moving to the "big school" along with her students :) Not to worry, the preschool will still be in good hands, under the leadership of Mrs. Julia Kulik who has worked closely with Miss Shelby and our previous director. I am confident she will continue to offer the same quality program that we are known for! I feel very blessed to be able to fill these openings internally and begin planning for next year.

*God's Blessings,  
Andrea Puhl*
