School Nurse News

From the Principal:

I am so proud of our students and the great effort they have been making during these first days of school. I am also grateful to our faculty and staff for all the preparation and planning that it took to get us to this point.

I do want to make you aware of a couple of staffing updates. Mrs. Jill O'Neal joins us as an aide, she is familiar with many of our students as she was a frequent substitute for us in the past. Mrs. Kay Ware is moving from her position in the library to serve as an aide as well. Mrs. Suzie Cox, our recently retired kindergarten teacher and Mrs. Marinda Zera, our retired librarian, have agreed to share the library job. What a blessing to have these positions filled with experienced educators who understand and share our mission.

We are still looking for substitute teachers. If you or anyone you know has a bachelor degree in any area and availability one or more days a week, please reach out to the school office.

*God's Blessings,
Andrea Puhl*

- Thank you for your cooperation as we work out the new carline procedures. Please remember to pull as close as comfortable to the car in front of you to maximize the space we have available. The morning routine seems to be going smoothly without someone releasing the cars...just continue following the car that came in ahead of you even if in a different row. **We could really use a volunteer or two for each afternoon**-please let Mrs. Puhl know if you can help!
- October lunches can be ordered now through midnight on September 15th. The menu is attached.
- **School Mass** can be viewed online. The link for mass at **2:15 pm Thursday, 9/8:** <https://venue.streamspot.com/event/MzM3NzE1MQ>

From the Nurse:

On Monday, I started the vision and hearing screenings. I sent a form home with any students who did not pass the screening for them to follow up with an eye doctor.

We have four positive COVID cases. If your child is not feeling well, keep them home until they are feeling better. Tests are available if you decide to test.

When sending an email to a teacher or office staff about a medical issue, it would be helpful if I could be added as well. This makes it so much easier to follow up if needed.

Enjoy your long weekend!
