From the Principal:

Our school council is an advisory group made up of parents or relatives of St. Al's students or alumni. The primary purpose of the school council is to offer advice to the pastor and principal regarding school policies. We meet on a monthly basis during the school year to discuss topics including (but not limited to) school operations, viability, staffing, budget, and supplies. We had our first meeting of the year this week so I thought it was a good time to introduce you to our current council. Council members are appointed by Fr. Tom and there is an effort made to find representation of as many grades as possible. If you have a question or concern that you are not comfortable sharing with Fr. Tom or myself you can ask one of these representatives to bring it to council.

Info for New Families (and good reminders for all)

The schools in the Diocese of Toledo take MAP (Measures of Academic Progress) tests in the fall and spring. We can also give them in the winter if we choose. These standardized tests are on the computer and help our teachers meet all students' needs by seeing what they are ready to learn. After the spring tests, we will share their individual results and progress with you. Our K-8 students have started taking these tests this week. Please see the "12 Common Questions Parents Ask About MAP Growth" article uploaded with today's schoolgram for more information.
