School Nurse News

From the Principal:

I hope to see many of you this evening as our Parent Association meets at 7:00pm. Come meet other school parents and help shape the mission of our PA moving forward.

I was out of the building for a couple days this week attending a conference for Catholic school leaders at the University of Notre Dame. I returned inspired after time praying and learning with colleagues from our diocese and around the world, but it is great to be back with your kids. I am truly proud to be their principal.

*God's Blessings,
Andrea Puhl*

From the Nurse:

It's that time of year when the temperatures are unpredictable. Remember to send a jacket for recess and other outdoor activities.

We have some illnesses going around but zero confirmed COVID.

The vision and hearing screens are completed. I sent home the results with students that did not pass. Feel free to contact me if you have any questions or concerns.
