

Prayer Intentions:

Prayers for Arlo's dad who is recovering from surgery.

For those in areas of the world in conflict, especially the people of Ukraine and Eastern Europe.

Please contact the school office if you have a prayer you would like included.

We Pray:

Father, the trees are ablaze with your glory. The seasons change, but you never do. You are always beautiful, in the green and freshness of spring as in the golds and reds and chills of autumn. Make me like you. Let my life reflect your beauty, season after season, as the calendar of my life turns and turns. The trees are letting go of this year's foliage. Help me let go of both blessings and burdens, and surrender them both to your loving care. Fallen leaves pattern the ground with variety. So design my own fallings and failings into whatever design will please you most. In Jesus' name, I pray, Amen.

From the Principal:

This is an exciting and busy time of year. I encourage you to carefully read over this schoolgram and the attached flyers so your child doesn't miss out on any of the upcoming dress down days or the chance to send Boo Grams to their friends.

It's been wonderful having parents join us for field trips and other special events. Please remember that in order to chaperone a field trip or to volunteer for a class party you must have completed the diocesan Virtus requirements which include an online course and background check. The directions on how to complete those requirements are attached again today. If you have completed it in the past, it is good for five years. If you are unsure, email me and I can check the date for you. If you are interested in volunteering, but the cost of the background check is prohibitive for your family, please reach out to me about that as well. We want everyone to have the opportunity to be involved! Thank you for all you do for our school and understanding the need to keep our children safe!

*God's Blessings,
Andrea Puhl*
