

St. Al's Student Council is partnering up with BGSU's Sydney Ribeau Presidential Leadership Academy to help provide support to the Brown Bag Project of Bowling Green. We are going to Celebrate Gratitude during Red Ribbon Week by participating in a hygiene drive, with all proceeds benefitting the citizens of Wood County.

HYGIENE DRIVE

October 24th-31st

- Donations of hygiene products can be placed in grade level bins. For every item donated, students will receive a raffle ticket to be entered into classroom drawings!

*Products needed include...

- adult and children shampoo, conditioner, body wash, toothbrushes and toothpaste.
 - Deodorant and bar soap
 - Toilet paper, Laundry pods and dish soap
- Diapers (adult women and babies), pull-ups, baby wipes, Sanitary products
 - Denture cream, powder and cleaner

*Information on The Brown Bag Project...

"The Brown Bag Food Project is a local non-profit that seeks to address issues of food insecurity in Wood County, Ohio. Our organization provides individuals with a supply of food to help meet their immediate food needs along with a resource guide to help connect people to additional community resources for long term support."

Please check out their website to learn more about the wonderful services they provide.
