### From the Principal:

As we enter into the holiday season, we have some traditions here at St. Al's that are a lot of fun and help some great causes. The first is our annual food drive. Please see the Info For New Families section below for more information and details important to all families.. We hope our students will all participate and we appreciate your support as always!

Also, as I shared last week beginning with the 2023-24 school year we will have a new process for assistance with the full cost of tuition. While the application process for parish assistance will change, it is not the intent that any family would experience more than a typical and manageable increase. State scholarships require that discounts offered to students be applied to all students. So, rather than blanket discounts, we would like to focus our parish funds on students who have need. Students who apply for assistance will be assessed based on the amount they owe after other scholarships are applied (such as Ed Choice, Jon Peterson special needs, Northwest Ohio Scholarship).

*God's Blessings,  
Andrea Puhl*

### Info for New Families (& good reminders for the rest of us)

- **Our OSU vs U of M annual canned food drive** will take place next week. Our food pantry here at St. Al's counts on our donations each year to help the needy in our own community. We have some fun with the collection by keeping track of which college team gets the most donations. **We will kick it off on Tuesday with a celebration of our local rivalry and that night's BGSU vs UT game. Any student bringing a food item on Tuesday may dress in BGSU orange and brown with jeans or athletic pants.** (I guess Toledo fans could wear blue and gold since it's for a good cause...but go Falcons!) Our classes also compete and the class with the highest number of items per student (we use this average so small classes can compete with larger classes) will win a pizza party. **The food pantry is really in need of canned soup and peanut butter so we will give double points for those items.** Please do not send expired items or glass jars. Thank you in advance for your generosity.

## From the Nurse:

I hope everyone was able to enjoy this beautiful weather. Next week the weather is going to be a little chilly. If your child likes to wear hats and mittens please be sure they have them during the colder months with a winter coat. Snow boots worn to school need to be changed into appropriate shoes for the classroom.

Please consider keeping a change of clothes in your child's locker. This may help avoid parents needing to bring in clothes when there is an incident. Our supply of extra clothes is limited depending on the size. If your child borrows clothes, please wash and return them.

The following resource from the health department may be helpful if someone in your family is exposed or tests positive. [Interactive COVID Decision Trees](#) – provides click-through guidance
