BGSC (501(c)(3)) offers the option for youth soccer players to play at a competitive level with boys and girls travel teams ages U7 through 15. Players are selected through a tryout process that takes place at the beginning of June. Our teams play year-round. In the fall (late-August through October) and spring seasons (late-March through May), all our teams compete in the Northwest Ohio Youth Soccer League (NWOYSL). During the winter months (January through March), optional indoor training and games are offered to our travel team players. Lastly, in the summer months (June through August), players have multiple opportunities to play at Soccer in the Park hosted by the BGSU Men's Soccer team, as well as drop-ins offered by the club.
