

### Prayer Intentions:

For a special intention

### We Pray:

Lord, you are full of mercy and justice: you humble the proud and exalt the lowly. You gave us the highest example of your divine wisdom in the mystery of the Word made flesh and of his virgin Mother. Your Son, humbled by death, rose glorious at your right hand, the King of all creation. The Virgin, who acknowledged herself to be a servant, became the Mother of our Redeemer and of those reborn in her Son. Now, raised above the angels, she prays for all as the Queen of mercy and grace. Amen.

### From the Principal:

Each year for the past few years we have received a safety grant from the Ohio Attorney General's office. In the past we have used the funds to pay for security cameras and two way radios for our playground staff. This year we made the decision to have safety film installed on our exterior doors. This reduces an intruder's ability to breach the glass. The film was applied last night and the installers will return in a couple of weeks to finish the edges with caulk. You probably won't notice a difference (except maybe because we can't clean them again until after school lets out for summer) but I hope it will give you increased peace of mind knowing that we continue to make student safety a priority.

*God's Blessings,  
Andrea Puhl*

## 1BookBG

Come meet Jerry Pallotta! Everyone is invited to his presentation at Wood County District Public Library on Sunday. Bring mom out for this family event. See the flyer attached in today's schoolgram. Students in grades KR-5 will meet Mr. Pallotta on Monday at school. For our school author visit, students can show their prediction by wearing blue for the killer whale or white for the great white shark. Non-uniform shirts in these colors may be worn with uniform bottoms.

Students have until Wednesday to turn in their response sheets for a chance to win a bigger prize. We hope you learned some interesting facts about the creatures. Thanks to all who supported this wonderful program. We especially thank Waddington Jewelers for buying our St. Aloysius Who Would Win? books and our Parent Association for providing some great prizes.
