

## Prayer Intentions:

Open people's hearts to repent of racist attitudes, behaviors, and speech which demean others.

## Prayer:

This weekend we remember Rev. Dr. Martin Luther King Jr.'s struggle for equality, justice, and dignity for African Americans.

We pray that all of those in civil and religious authority be reminded that we all have been created in your image, and that there is an intrinsic dignity in each of us that calls for uplifting every man and woman, young and old. Amen.

## From the Principal:

On Monday, January 29th I've asked Fr. Tom to offer a special opportunity specifically for those families who are not Catholic or who are not currently actively practicing the faith. As parents, I'm sure there are times when your children come home and share their perspective on something they learned in religion class and you wonder is that REALLY what the Catholic Church teaches? Here is your chance to find out! You can submit your questions by email in advance and they will be kept anonymous or you can ask your questions that evening. We will discuss some of the common misconceptions about the Catholic Church and answer questions that arise that night!

*God's Blessings,  
Andrea Puhl*
