

Prayer Intentions:

For those recovering from surgery, especially members of our faculty and family members

For the Pooley family as their grandpa's funeral was this week.

Prayer:

Heavenly Father, as we enter the month of May, I pause to express my gratitude for the fresh beauty and the renewal that this spring month symbolizes. Your creation bursts into bloom, reminding us of Your ability to renew and refresh not just the earth, but our lives and spirits as well. I welcome Your grace over this new month, praying for a deeper cleansing and a renewed spirit within me. Guide me through each day of May, let Your will be clear in my life, and help me to align my actions and thoughts with Your divine purposes. May this month be filled with evident growth, in my personal faith, in my relationships, and in my contributions to Your kingdom.

From the Principal:

As I flipped the calendar page to May, I felt excited and overwhelmed with all that is coming this month! With school ending on the 24th we have a lot left to accomplish and many celebrations to look forward to!

Next week is Teacher Appreciation Week and we are blessed with some of the best. I want to acknowledge both Mrs. Michelle Rogers and Mrs. Tina Sadowski who were nominated by school families and fellow faculty members for the Golden Apple Award presented by the Diocese. The nominations were all so heartfelt and the praises well deserved! We selected Mrs. Rogers to submit the nomination to the diocese and while she wasn't chosen as a finalist, she and Mrs. Sadowski are both winners to us! Thank you for your nominations and thank you in advance for helping us celebrate all of our amazing teachers!

God's Blessings,

Andrea Puhl

From Ms. Gigi (Extended Day):

It has come to my attention that some of you may be unaware of the policy regarding check-in for children using Extended Day in the morning.

In the Extended Day Handbook, it states that parents are to escort their children into Extended Day. Unescorted students are clocked in at 7:00 am. This is a requirement to ensure the safety of students as they enter our building and go upstairs to Extended Day. The halls which are used are not secure. We appreciate your cooperation.

From Parent Association:

Next week May 6-10 is Teacher appreciation week and we will be celebrating teachers and staff all week! See the attachment for the special treats that will be offered to our teachers and staff! Make sure to print out the **Fan Mail** flyer attached to the school gram and have your child fill it out for their teacher. Bring the **Fan Mail** flyer or a homemade card back to school on **Thursday** to give to your teacher to show them how much you appreciate them!

If you are ordering an item to be worn as part of the school uniform, please make sure you are choosing a navy or white polo, quarter zip or sweatshirt with the diamond shaped logo on it. Most of these items for sale are spirit wear and not dress code.

A good rule of thumb is that dress code approved items have the diamond shaped logo. We also permit students to wear the old school logo with the two headed lion design in its different formats. Anything other than these two designs are spirit wear:

Another good check is if it says "Lions" it's spirit wear and not dress code. We know there has been some confusion this year, but please plan ahead for next year accordingly.
