BGSC (501(c)(3)) offers the option for youth soccer players to play at a competitive level with boys and girls travel teams ages U7 through 15. Players are selected through a tryout process that takes place at the beginning of June. Our teams play year-round. In the fall (late-August through end of October) and spring seasons (late-March through end of May), all our teams compete in the Northwest Ohio Youth Soccer League (NWOYSL). During the winter months (January through March), optional indoor training and games are offered to our travel team players.

Two practices per week during fall and spring seasons. Each season includes 4-5 home games and 4-5 away games. Typical drive time for away game are 45 mins to an hour.

Lastly, in the summer months (June through August), players have multiple opportunities to play at Soccer in the Park hosted by the BGSU Men's Soccer team, as well as drop-ins offered by the club.
