

Updating Parent Alert Preferences through the Parent Portal

After signing into your Parent Portal, go to the **Communication** menu and select **Manage Alerts**.

Once on this page, you can check or uncheck which communications you would like to receive from your school. This page saves automatically.

MANAGE ALERTS (Manage Parent Alerts notifications from your school)

Changes made on this page are saved automatically. For best possible message delivery it is advised that you select at least one of each of the voice, email and text options.

Manage Alerts
