

Prayer Intentions:

Continued prayers for Noah

Mrs. Rath's son who graduated from Boot Camp and will begin further training for the Army Reserves.

For Mrs. Rath's stepfather who is having surgery today.

For those recovering from Hurricane Helene and those in the path of Hurricane Milton.

Prayer:

Jesus, we lift an urgent plea for those directly in the path of the hurricane. You calmed the Sea of Galilee with a couple of words. You have the power to calm any storm in our lives. Protect people who are in harm's way, provide ways out and safe places to stay while the storm rages, and keep loved ones, pets, and rescue workers safe from harm. In Your saving name, we pray, Amen.

Calendar:

10/15

- November lunch orders due

- Spirit Day: BGSU/UT Dress down

From the Principal:

Our KR-5th grade students had a wonderful visit yesterday from author Jarett Lerner as part of this year's 1BookBG program! I think he inspired many of our students to create their own characters and stories and I can't wait to see what they come up with!

Our second graders preparing for the sacraments of Reconciliation and First Holy Communion have a very special experience this weekend. Please keep them in your prayers as they attend the Dragon Slayer retreat and learn about slaying dragons such as pride, envy and greed!

God's Blessings,

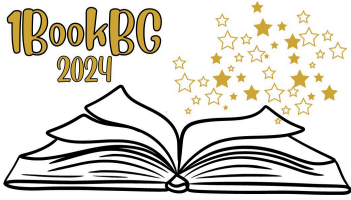

Andrea Puhl

Diocese of Toledo Scholarship Fund (SGO):

If you would like to apply for a scholarship, please visit www.dotsgo.org This is a great opportunity for those who don't receive full Ed Choice scholarships to lower their tuition bill or you can make a request to cover fees that are not included in Ed Choice. If your child is on the Jon Peterson or Autism scholarship, you can apply for tuition funds so that more of the scholarship is available for services. Priority must be given to those with financial need, but you do not have to be low income to apply. Funds will be awarded by the end of 2024.

From the Office:

- **School pictures** are Thursday (10/17/24). Do not wear green as they use a green background. This is a **dress up** day or dress in uniform. No sleeveless shirts or t-shirts with large logos are permitted. No jeans or athletic pants/gym style shorts.
- We are sending home **Ed Choice acceptance letters** with the youngest child today. We are missing these forms from many of our families so we are guessing you never received them from the state. This is the last step to accepting the scholarship so we can begin receiving tuition payments so please check with your child and if they were sent home, please sign and return them tomorrow.
- **CYO Cross Country and Volleyball team members** are asked to wear or bring their jerseys to school tomorrow with uniform bottoms for yearbook photos.
- **School Mass** can be viewed online. Click the link at **2:10 pm, Thursday, 10/17/24:** <https://venue.streamspot.com/event/NTA3OTQyMg>

Students are encouraged to continue visiting the Mission Stops around Bowling Green. They have a chance to win prizes here at school through our weekly questions and activities along with Mission Stop tickets. When you visit **Waddington Jewelers**, please give them a big thank you for the books they purchased for St. Aloysius School. We also want to thank our **Parent Association** for some great prizes. This is a great community literacy program. Happy reading!

Volleyball season is almost over and the 5th grade volleyball team is continuing to work hard. They are currently 7-1 and have 1 regular season game left. Come support the team this Saturday...they have a game at 3:50pm and at Regina Coeli.

Other CYO teams are welcome to share updates for the schoolgram!

From the Parish:
