From the Principal:

As we celebrate Catholic Schools Week, I am so grateful to each of you for partnering with us in the education of your children! The week has been full of fun and surprises and the always popular dress down days! Of course, we have also tried to share our blessings with others through raising money for the LA fire victims and other acts of service. Most importantly, we have prayed together and thanked God for the gift of St. Aloysius School and for each other! We have one day left in this special week and can't wait to celebrate all of our students- thank you again for sharing them with us!

*God's Blessings,
Andrea Puhl*

From the Office:

- **25-26 Preschool commitment forms** were sent home yesterday and today for current families. If you did not receive one, please reach out to Mrs. Julia at preschool@stalschoolbg.org.
- **25-26 Registration PS- Gr. 8** will begin Thursday next week (2/6) when packets are sent home. Registration forms and **fees are due** back to the school office no later than **Friday, February 14th**.
 - Returning registration by the deadline helps to know who will be returning next year to have accurate numbers for when we start accepting priority applications for new families.
 - While we prefer to have all fees paid with registration, classroom materials fees can add up, so it is understandable if you need additional time. We just ask that you pay the registration fee and communicate with us as to when you plan to pay the materials fee.
 - **Please let us know ASAP if your child will not be returning.**
- **School Mass** can be viewed online. Click the link at **2:10 pm, Thursday, 2/6/25:** <https://venue.streamspot.com/event/NTQwNji2OQ>

SGO Information:

As we shared in the fall we are part of an SGO (Scholarship Granting Organization) set up by the Diocese of Toledo. We are hoping this new scholarship will offset any increases in tuition for our families and we are asking all of our parish and school families to consider supporting it through an Ohio tax credit. Please watch this video to learn more (if you didn't already hear the presentation at Mass) and see the attached information sheet. It's an amazing way to help our school at no cost to you. We also encourage you to share the information with grandparents or other family and friends who may be willing to support our school. https://youtu.be/uOgD_qMw9WA?si=jWw-0vYLhWjPtPay
