

## Lunch Order Process

1. Lunches are ordered monthly, and the portal is open from the 1st through the 15th of the previous month). For example, September's lunch order must be placed between August 1st and August 15th. Payment is expected when you order. (Exception: You are welcome to send in the September payment the 1st week of school). Include your child's name, grade, & "September lunch payment" on the check or envelope.  
**\*\*\*Specify the amount per student if you are ordering for multiple children.\*\*\***
2. For those new to ordering, please note, you must be logged in to [OptionC.com](http://OptionC.com), and have your [lunch menu](#) available to reference. The menu can be found on the website: [stalschoolbg.org](http://stalschoolbg.org) under the "Parents" tab. Click "[Cafeteria and Menu](#)." It will also be sent via email.
  - You will see generic choices (ie: "Entree #1 with beverage," which are listed below) in Option C for each day, but will have to reference the menu to see each day's specific choices. There is not enough room on the menu to include each extra entree, so in Option C, the extra entree follows the full lunch.
  - See the document, "[How to Order Lunch through the Parent Portal- Daily View](#)" for details on how to place an order in Option C.
3. Menu Choices:
  - **Entrees & Extra Entrees:** There are 5 entree choices that include sides and a beverage. Option C numbering coincides with the numbers on the menu. Directly following the full lunch in Option C is the option to order an extra entree ONLY, with no additional sides or beverage. Full lunches are \$3.80, and extra entrees are \$1.90. **\*\*\*If ordering ONLY an extra entree, please also provide sides and a beverage for your child.\*\*\*** Extra entrees are NOT included in the free and reduced lunch program or with preschool lunches. There will be an extra charge.
    - For example, on the 1st day of school, this choice would allow your child to have a pancake, side, fruit, and beverage.
      - If "1.2 Extra entree #1 (Side Dish)" was also chosen in Option C, your child would receive an additional pancake.
    - Option C states: "2.1 Entree #2 with beverage (Entree)" for the lunch listed as #2 on the menu, and directly after that, is "2.2 Extra Entree #2 (Side Dish)." For the 1st day of school, this would allow your child to have a Salisbury steak, side & beverage.
      - If "2.2 Extra Entree #2 (Side Dish)" was also chosen, your child would receive 2 steaks.
    - This format continues for Entrees 3, 4, and 5.
  - **Salads:**
    - Salads are listed together on the menu to save space, but are separate in Option C. Taco salads and Chef salads are available to purchase and also come with sides and a drink, so they are also included in the free & reduced lunch program.
    - In Option C, Chef salads are listed as, "5.1 Chef Salad (Entree) and " Taco salads are listed as "5.2 Taco Salad (Entree)."
  - **Sides:**
    - Sides are listed as #6 on the menu, and states "6.1 Side (Side Dish)" in Option C. The cost of the side is \$1.90, and it is **NOT** eligible for the free and reduced lunch program and is not included in preschool lunches. There will be an additional charge.
      - On September 3rd, the side is a corn dog. No other sides or beverages are included.
  - **Beverages:**
    - A choice of 2% white milk, 1% chocolate milk, 100% juice, or water will be offered at the counter for \$0.60. You do not have to order a beverage separately if you already ordered the full lunch because it is included.
    - Beverages are listed as "7.1 Beverage (Beverage)" in Option C.
4. You can reference [How Order Lunch through the Parent Portal - Daily View](#) that is found under the "Parents" tab ~ "[Cafeteria and Menu](#)" on the school website.
