

St. Aloysius

CATHOLIC SCHOOL

Prayer Intentions:

For all those who served our country

For peace in our world

If you have a prayer intention you would like included in the schoolgram and/or on announcements, please contact the school office.

Prayer:

Lord, I pray for a heart of gratitude in November. Help me to recognize and give thanks for Your blessings, both big and small. Remove every spirit of complaining and fill me with joy in every circumstance. May my gratitude honor You and open doors for more blessings. Thank You for Your unfailing love and mercy in my life. In Jesus' name, Amen.

From the Principal:

Thank you to everyone who supported our first Adopt a Family Dress Down Day. Every year our student council raises money to help a local family or two with Christmas gifts. They even go shopping for items off their wish lists! If you know of a family in our community in need, please let me know. Next week will also be our annual canned food drive to help stock our own St. Al's food pantry. There has been an increase in need lately so I thank you in advance for your generosity.

*God's Blessings,
Andrea Puhl*

Get ready for our annual **Canned Food Drive** as we gear up for the big game! Bring in non-perishable food items to help your favorite team, Ohio State or Michigan, score big—every item earns points, and **rice and peanut butter count for double!** The class with the most average points per student will win a special prize. Let's come together to tackle hunger! **See the flyer for more details!**

Construction Update

To prepare for the changes that will be made to the parking lot resulting from the Renovation Project, there will be work being done on the entrance to the parking lot closest to the church and the entrance closest to Ziggy Zoomba's along Summit Street. The entrance closest to the church will be enlarged and the gate removed. The entrance closest to Wooster Street will be removed and closed by fence. In the meantime, the entrances may be rather rough. Please bear with us while we are prepping the areas for concrete. Any questions, please contact Denise Foos in the church office at 419-352-4195.
