### **Kindergarten Readiness/Kindergarten Registration and Placement:**

Upon receipt of a Kindergarten student's registration, the student will be placed in kindergarten or readiness. After screening in August 2025, a recommendation of placement into the Kindergarten Readiness or Kindergarten class will be decided by the Kindergarten Team (principal & teachers). If the educational team placement does not match the parent's initial registration request, further discussion will be initiated with the parents to determine what the best educational course is for the student.
