

YOUTH SOFTBALL

Ages 7-12

The Youth Softball programs are divided into two age divisions: Ages 7 to 9 and Ages 10 to 12. Both leagues utilize machine pitch.

Practices start in early to mid-May and will focus on continued skills development in the areas of fielding, hitting, throwing, and base running. Additional skills training and batting practice will be provided for participants throughout the season. Games will start in late June.

Volunteer coaches are needed. Coaches are asked to complete an application and pass background checks prior to coaching. Any volunteer coaches must also attend the preseason coaches meeting.
