Prayer

Dear God, as our children begin a new school year, we pray that Your strength and peace will cover them each and every day. Remind them they can turn to You when they feel scared or discouraged, and You will give them exactly what they need. We humbly ask that You will remind them that they don't have to do this life alone because You are always with them. No matter what obstacles come their way, we pray they will find strength and courage in You alone. Amen.

From the Principal:

We are off to a great start for the school year! We love having KR-8 back in the building and can't wait to welcome preschool next week! I saw so many great community building activities as I walked around the building yesterday and today we gathered in church for our first Mass of the school year where we are all reminded that we are part of the body of Christ!

As we build our school and parish community, I once again would like to invite you to be a part of Fx3 this year! Fx3 is not only open to everyone in the parish and school, but everyone is encouraged to attend. It's a great opportunity to grow in faith as a family and only requires an extra hour before or after Mass on, at most, two Sundays a month! Registration is not required, but it would be very helpful to sign up if you know you are going to attend so there are enough catechists for each grade level (and enough donuts!). Learn more or register your family at fx3.stalbg.org. Give it a try...I don't think you will regret the small investment of time in your family that is sure to result in abundant blessings!

God's Blessings,

Andrea Puhl
