New altar servers will join the weekend serving schedule in October 2026.

Attendance:

Server attendance will be monitored by a Server Check-in Book located in the sacristy. Fr. Tom will teach the servers how to indicate in the book the days on which they altar serve. The Check-in Book will track each server's progress towards attaining "Senior Server Status," and it is the server's responsibility to make sure he/she checks-in each time he/she serves, both as scheduled and as a substitute server. Attendance is important!

Commitment:

- *Parents:* My child has my permission to be an altar server. I encourage his/her decision and will help him/her be faithful about keeping this commitment of serving at Mass. I understand that it is very important for my child to be in attendance at his/her scheduled Mass time and at Sunday Mass in general.
