

St. Aloysius
CATHOLIC SCHOOL

*Living for Christ,
Learning with Purpose*

Prayer Intentions:

For our Lions Lunch Lady, Kris McKenzie, and her family. Her mom passed away earlier this week.

Prayer

Loving God, as the days grow shorter, teach us to rest. Thank you for the gift of life and the beauty around us. Help us let go of what we do not need, just as the trees let go of their leaves. Draw us close to your peace. Amen.

From the Principal:

We hope our students enjoy a long weekend as our teachers spend Monday participating in some Diocesan professional development on the Catholic Approach to AI and also work on our accreditation plan. Please pray for us as we will be praying for you.

We are also excited to welcome our new fifth grade teacher next week! Mrs. Lyndi Woods is finishing a long term sub job for BGCS this week and we are blessed that she will join us on Tuesday! She has over a decade of experience teaching, bachelor and master degrees from BGSU in education and is a track and field coach for Perrysburg High School. I know her fifth (and fourth) grade students are excited to meet her!

God's Blessings,

Andrea Puhl

Danger in Disguise

Sunday, October 18th, 9:05-10:05 am

Hartmann Hall

Adult Session: Our kids carry the whole internet in their pocket, often behind a closed bedroom door and late at night. The people and products that target them count on one thing: adults not knowing. Dangers in Disguise is a parent information session built on awareness, not fear. Parents and caregivers get a clear, current look at what children actually face today, how to spot the warning signs at home, and exactly what to do next. You do not need to be a tech expert. You need to be present, curious, and the first person your child runs to.

Kids Session: It's easy to get confused about different types of secrets. In this very kid-friendly session, children will be empowered to know which secrets should not be kept. Our school students will receive a similar presentation later this year, but they are welcome to attend this as well, especially if it allows you to attend the adult session knowing they are safe and supervised.
